

Dr. Harvey Levy & Associates, P.C. Dental Health Club - A Membership Plan for our Most Loyal Patients

We understand that many of our patients are currently experiencing financial hardship or may have lost their dental insurance due to circumstances surrounding COVID-19. Maybe COBRA payments are too high. We've revised our Dental Health Club, in the hope that our in-house membership plan will help our patients afford the dental services they need in order to maintain a healthy smile.

Dental insurance plans can restrict your dental health care. Our Dental Health Club discounts ALL your dental care, with no hassles. YOU will be in control and work directly with US!

Benefits of our Membership Plan:

We aim to help you achieve a healthy smile and get the work you need done. We also hope that we can make it affordable to do so. Did you know that our membership plan costs less than a self-purchased traditional insurance plan, and that all benefits are effective immediately?

Savings on what you need. and only what you need

With our plan you'll receive a significant discount on our services and won't be paying for benefits that you'll never use. If you only need preventative maintenance or minor restorative work you'll save hundreds of dollars off our regular fees.

No Exclusions

Dental insurance plans impose a variety of exclusions and exceptions for treatment. Our membership plan has no pre-existing conditions clause. You'll be able to consider treatment options without being dependent on insurance carrier approval. The discount you'll receive through our plan is valid on all dental procedures we bill directly, whether provided in-house or elsewhere.

No Waiting Periods or Maximums

Many insurance companies have waiting periods for major procedures like root canals, crowns and dentures, but what if you need the work done now? Even if there isn't a waiting period, you'll be subject to an annual maximum. That maximum could be met with a single root canal, leaving no benefits leftover for the necessary crown. Our membership plan doesn't have waiting periods, and your discount will never have a maximum allowance. You'll be eligible for immediate savings the day you sign-up!

Which Dental Health Club is the One for You?

We offer 3 dental membership plans depending on your age and gum health: Adult, Child, and Perio. Patients will be advised by their dentist which plan is best suited for their needs.

Adult - \$349 Flat Annual Fee

For patients who are 13 years old and up, and with healthy gums as determined by their dentist.

With this plan, patients will save more than \$200 off our regular fees just in preventative services! Plus, with the 15% discount on all other services, you would be saving hundreds of dollars off restorative, cosmetic and other major treatments.

Benefits:

- 2 Preventive cleanings and periodontal disease evaluation
- 2 Dental exams by our Doctor, including oral cancer screening
- Fluoride treatments as needed
- All preventative routine x-rays
- 15% Courtesy discount on ALL additional dental treatment performed in our office.

Child - \$249 Flat Annual Fee

For patients who are 12 years old and younger.

With this plan, patients will save more than \$200 off our regular fees just in preventative services!

Benefits:

- 2 Preventive cleanings and periodontal disease evaluation
- 2 Dental exams by our Doctor, including oral cancer screening
- Fluoride treatments as needed
- All preventative routine x-rays
- 15% Courtesy discount on ALL additional dental treatment performed in our office.

Perio - \$699 Flat Annual Fee

For patients who have been diagnosed with periodontal disease and have completed quadrant scaling ("deep cleaning"). With this plan, patients will save more than \$500 off our regular fees just in maintenance services! With the 15% discount on all other services, you could be saving hundreds of dollars off restorative and other treatment as well.

Benefits:

- 4 Periodontal maintenance cleanings
- 4 Dental exams by our Doctor, including oral cancer screening
- Fluoride treatments as needed
- All preventative routine x-rays
- 15% Courtesy discount on ALL additional dental treatment performed in our office.

Payment Options

We're sensitive to the fact that not everyone can pay \$699 or even \$349 all in one visit! That's why we are offering patients the option to split their membership payment between their routine visits (2 payments for Adult and Child plans, 4 payments for Perio plans). Patients who choose to make payments on their membership plan will be required to keep a credit card on file and approve for us to automatically charge when their payment is due.

How it Works

- Your membership will expire 12 months after joining, on the last day of that month.
- Our Dental Health Club is NOT a dental insurance plan, it is a discount savings plan that can only be used in our office.
- Membership is non-transferable.
- Membership benefits can NOT be combined with ANY insurance plans including: Medical, Workers' Compensation, Accidental Injury, etc.
- Payment for any New Patient Specials may be put towards your membership plan
- Child membership is determined by the age of the patient on the date of enrollment.
- Patient/Family account balances must have a zero balance before enrollment.
- In order to receive the 15% discount payment is due in full at time of service.

Disclosures

- 15% discount IS applicable to bleach trays, nightguards and athletic guards. However, the discount is NOT valid when purchasing any retail product sold in the office: oral health care products, whitening, etc.
- 15% discount IS applicable if you need diagnostic x-rays beyond routine preventative
- 15% discount IS applicable to scaling and root planing procedures required prior to maintenance benefits included in the Perio membership
- If Care Credit is used you'll enjoy a 10% discount due to fees charged to our practice.
- Our plan can NOT be used for referrals or specialists outside our practice.
- Anesthesia, specialist fees, hospital, surgicenter, nursing home or private residence travel fees will NOT be discounted.
- Hospital and surgical center facility fees and anesthesia fees will NOT be discounted.
- 15% discount NOT valid for additional PPE charges.
- A fee may incur for each broken appointment without a 24 hour advance notice.
